(j) **Residual Interest of the Commonwealth:** Pursuant to the New GO Bonds Indenture, and subject to such additional rights as provided therein, any funds held by the New GO Bonds Trustee in excess of the required deposits pursuant to the New GO Bonds Indenture shall be released from the New GO Bonds Indenture to, or at the direction of, the Reorganized Commonwealth, including to the extent funds remain in the Debt Service Reserve Fund upon payment or satisfaction in full of the New GO Bonds in accordance with their terms, such amounts shall revert and be distributed to, or at the direction of, the Reorganized Commonwealth.

(k) **Direct Right of Action:** Pursuant to the New GO Bonds Indenture, and subject to such additional rights as provided therein, the New GO Bonds Trustee shall have a direct right of action to enforce the terms of the New GO Bonds Indenture, including, without limitation, with respect to funding deposits in the Debt Service Fund and the Debt Service Reserve Fund and seeking specific performance remedies for any breach of covenants in the New GO Bonds Indenture.

(l) **Governing Law:** The New GO Bonds Indenture and the New GO Bonds issued thereunder shall be governed by the laws of the State of New York, without giving effect to principles of conflicts of law.

71.2 **Issuance and Distribution of the CVIs :** On the Effective Date, Reorganized Commonwealth shall issue the CVIs, in an aggregate original principal amount equal to the sum of the GO CVI Lifetime Cap and the Clawback CVI Lifetime Cap, as such terms are described on Exhibit “J” hereto, having the maturity dates set forth on Exhibit “J” hereto, and, subject to the provisions set forth in the CVI Indenture, the CVI Legislation, and the Confirmation Order, in each case as more fully set forth on Exhibit “J” hereto, (a) to the extent that the Sales Taxes collected exceed the projection attributable to COFINA Pledged Taxes for such Fiscal Year as set forth in the CW Fiscal Plan, fifty percent (50%) of such excess amount shall be payable to the holders of the CVIs on each July 1st subject to the GO CVI Maximum Annual Payment and the Clawback CVI Maximum Annual Payment, as such terms are described on Exhibit “J” hereto, and (b) to the extent that collections of such Sales Taxes do not provide collections sufficient to make payment of some or all such annual amortization, such amount otherwise payable for, and

obligation attributable to, such Fiscal Year shall be forgiven and waived, and the CVIs issued in connection therewith shall be deemed discharged in their entirety.

(a) **Waterfall of Distributions:** Distributions with respect to the CVIs shall be made in accordance with the Annual Payment Waterfall, as defined and as set forth on Exhibit “J” hereto.

(b) **Direct Right of Action:** Pursuant to the CVI Indenture, and subject to such additional rights as provided therein, the CVI Trustee shall have a direct right of action to enforce the terms of the CVI Indenture, including, without limitation, with respect to funding payments in respect of the CVIs and seeking specific performance remedies for any breach of covenants in the CVI Indenture.

(c) **Full Faith and Credit:** For payment of the CVIs, the Commonwealth shall pledge its full faith, credit and taxing power pursuant to Article VI of the Puerto Rico Constitution and applicable Puerto Rico law.

(d) **Non-Impairment Covenant:** The Reorganized Commonwealth shall covenant for the benefit of all initial and subsequent holders of CVIs that, until all obligations with respect thereto have been paid or otherwise satisfied in accordance with their terms, the Reorganized Commonwealth will not: (a) take any action that would impair the rights and remedies of the holders of the CVIs; (b) limit or restrict the rights or powers of the appropriate officers of the Reorganized Commonwealth to fulfill the terms of any agreements made with respect to the CVIs; or (c) impair the ability of the holders of the CVIs to track performance of the Measured SUT; provided, however, that the foregoing shall not preclude the Reorganized Commonwealth from exercising its power, through a change in law, to eliminate the Measured SUT, or replace the Measured SUT with a Substitute Measured Tax, each in accordance with the CVI Indenture, which shall protect holders of CVIs from such elimination or replacement reducing the likelihood that Outperformance Condition will be satisfied; and, provided, further, that the CVI Indenture shall include a mechanism for public disclosure by the Reorganized Commonwealth of (x) the amounts of Measured SUT, (y) the SUT collections, and (z) the calculation of any SUT True-Up or Baseline SUT Reduction, as defined and reflected in the Settlement Summary annexed as Exhibit “T” to the Plan Support Agreement.

(e) **Governing Law:** The CVI Indenture and the CVIs issued thereunder shall be governed by the laws of the State of New York, without giving effect to principles of conflicts of law.

71.3 **Tax-Exempt Treatment of the New GO Bonds:** Notwithstanding the terms and provisions of Sections 71.1 and 71.2 hereof, in the event that the Government Parties obtain a determination from the IRS or an opinion from Section 103 Bond Counsel (collectively, a “Favorable Determination”) that the ratio of the aggregate amount of all taxable New GO Bonds to be issued on the Effective Date (the “New Ratio”) to the total aggregate amount of all New GO Bonds is less than thirteen percent (13%) (the “Existing Ratio”), (i) in the event that the Favorable Determination is obtained on or prior to the Effective Date, the holders of any Claims receiving New GO Bonds pursuant to the Plan shall receive the benefit of such Favorable Determination in the form of tax-exempt New GO Bonds issued pursuant with coupons for all

maturities equal to the coupons on the tax-exempt New GO Bonds set forth on Exhibit “T” hereto, and, to the extent that the Government Parties and the Initial PSA Creditors determine during the period up to and including the Effective Date to modify the coupons set forth on Exhibit “T” hereto, the amount of par New GO Bonds will either increase or decrease, on a dollar-for-dollar basis, depending upon the coupon structure, subject to the amount of the maximum annual debt service provided for in Exhibit “T” hereto, and any such modification being applied to creditors pro rata on a post-application of PSA Restriction Fee and Consummation Costs recovery basis as described in footnote 8 to Annex 2-A to Exhibit “T” of the Plan Support Agreement, (ii) in the event that the Favorable Determination is obtained subsequent to the Effective Date and the New Ratio is less than the Existing Ratio, then the holders of the Taxable Bonds affected by such determination (the “Invited Bonds”) shall be invited to exchange such bonds for converted bonds (the “Exchange Offer”) and, subject to the application of all reasonable expenses incurred by the Government Parties in connection with such Exchange Offer, the interest rate on the converted bonds shall be the same as the interest on Invited Bonds of the same type, interest rate, series and maturity; provided, however, that, such converted bonds shall be accompanied by the favorable opinion of Section 103 Bond Counsel that the interest, other than pre-issuance accrued interest, on such converted bonds, and on the Invited Bonds exchanged for such converted bonds from the original date of delivery of such Invited Bonds so exchanged, is, in such counsel’s opinion, excluded from gross income for federal income tax purposes and from U.S., state, Commonwealth and local income taxation; and (iii) in the event that neither of the foregoing determinations are obtained, the covenants to seek such determinations shall terminate upon the earlier to occur of (1) December 1, 2021, (2) notification by the IRS to the Commonwealth that IRS is unable to issue a favorable private letter ruling, closing agreement or other type of IRS determination with respect to the matters addressed by this subsection, and (3) the amendment of the New GO Bonds Indenture following receipt of a favorable determination and consummation of an Exchange Offer.

71.4 Comprehensive Cap on All Net Tax-Supported Debt: During the Debt Policy Period, pursuant to the Debt Responsibility Act and in accordance with the New GO Bonds Indenture and the CVI Indenture, the Commonwealth and the Reorganized Commonwealth, as applicable, shall adopt and maintain a Debt Management Policy that includes a Comprehensive Cap on all Net Tax-Supported Debt of Article IV of the Debt Responsibility Act, which cap shall be set at seven and ninety-four one hundredths percent (7.94%) of Debt Policy Revenues as and when measured in accordance with the Debt Responsibility Act, including a secured and/or securitized debt sublimit of twenty-five one hundredths percent (0.25%) of Debt Policy Revenues above and beyond the percentage of Debt Policy Revenues required to pay the maximum annual debt service on the COFINA Bonds as of the Effective Date. Debt service payments on New GO CABs issued pursuant to the Plan to holders or insurers of GO Bonds and PBA Bonds, and payments on CVIs that may be issued pursuant to the Plan or other contingent value instruments issued pursuant to or in connection with a Commonwealth Instrumentality Plan, including a Commonwealth Instrumentality Plan for HTA, CCDA, or PRIFA, in satisfaction of claims asserted by (a) holders or insurers of bonds issued by such instrumentality or (b) other creditors of such instrumentality, will not apply towards the Comprehensive Cap. For the avoidance of doubt, any capital appreciation general obligation bonds or similar tax supported debt obligations issued to anyone other than the holders or insurers of GO Bonds and PBA Bonds

pursuant to the Plan, and any contingent value instruments or similar tax supported debt obligations issued other than pursuant to or in connection with the Plan or any Commonwealth Instrumentality Plan, shall count towards the Comprehensive Cap, irrespective of whether issued prior to or after the Effective Date. The Secretary of Treasury's certification of compliance with the Debt limit pursuant to this Section 71.4 shall be conclusive and binding absent manifest error; provided, however, that, in issuing such certification, with respect to the calculation of the revenues of public corporations included as Debt Policy Revenues, the Secretary of Treasury may rely on certifications from officers of such public corporations.

71.5 **Adoption and Maintenance of a Debt Management Policy:** During the Debt Policy Period, the Reorganized Commonwealth shall maintain and comply with a Debt Management Policy designed to ensure that certain past Debt issuance practices of the Commonwealth are not repeated. While the Reorganized Commonwealth may revise and update its Debt Management Policy to reflect changing bond market conditions and standards, the Debt Management Policy shall, unless otherwise approved, in writing, by the Oversight Board, at all times include the following principles and limitations:

(a) **Long-Term Borrowing for Capital Improvements Only:** To ensure the Reorganized Commonwealth achieves and maintains a structurally balanced budget consistent with PROMESA's requirement that Puerto Rico return to fiscal responsibility, Tax-Supported Debt issued after the Effective Date may only be incurred to finance Capital Improvements, as determined by the issuer of such Debt and approved by AAFAF, or to refinance Tax-Supported Debt in accordance with the terms and provisions of Section 71.5(d) hereof. Proceeds derived from any such issuance may be used to cover any and all direct and indirect expenses that, in the issuer's reasonable discretion, are necessary to carry out such Capital Improvements, including, without limitation, any and all expenses incurred in connection with the issuance itself.

(b) **30-Year Maturity Limitation on All Tax-Supported Borrowing:** No Tax-Supported Debt issued on or after the Effective Date may have a legal final maturity later than thirty (30) years from the date of its original issuance, and no such Debt may be refinanced by any Debt extending such legal final maturity date beyond such original thirty (30)-year maturity date limitation; provided, however, that, the foregoing shall not apply to (a) Tax-Supported Debt issued to finance public housing facilities, subject to the limitation established in the Commonwealth Constitution or (b) Tax-Supported Debt issued to refinance Debt that was Outstanding prior to the Effective Date and had a legal maturity of more than thirty (30) years, subject to terms and provisions of Section 71.5(d) hereof.

(c) **Required Principal Amortization:** No series of Tax-Supported Debt issued from and after the Effective Date may be issued unless its principal commences to amortize within two (2) years of its original issuance date, or such other period not to exceed five (5) years from original issuance as may be permitted under the U.S. Internal Revenue Code for tax exempt financings of new construction or reconstruction of Capital Improvements, and continues amortizing in each and every year until such Debt is no longer outstanding.

(d) **Refinancings Permitted only for Cash Flow Savings in Every Fiscal Year:** Refinancings of Tax-Supported Debt are permitted only if (i) there is no increase in the

amount of bond principal and interest payable in any fiscal year and (ii) such refinancing produces positive present value savings, after taking into consideration transaction expenses, at the levels specified by the Reorganized Commonwealth in its Debt Management Policies; provided, however, that, refinancings without cash flow savings in every FY are permitted if the refinancing is completed in direct response to a hurricane, earthquake, pandemic, terrorism or other natural disaster and similar emergencies and the debt service due in any future FY does not increase by more than ten percent (10%) and the financing is required by its terms to be repaid in full within ten (10) years.

(e) **Fiscal Plan Debt Service:** Any post-Effective Date Fiscal Plan shall include provisions for the payment, in each FY of (a) principal and interest with respect to the New GO Bonds, including, without limitation, sinking fund payments due in such FY and (b) to the extent that the Outperformance Condition is satisfied in the prior FY, any amounts due and owing on the CVIs in accordance with the terms of the CVI Indenture.

Notwithstanding the foregoing, nothing contained herein shall prohibit the Reorganized Commonwealth from adopting, maintaining and complying with a Debt Management Policy that is more restrictive than the requirements set forth above. The Debt Management Policy shall be in addition to any other limitations imposed by law and nothing contained herein shall be construed as superseding, amending, or repealing any additional restrictions imposed by the Commonwealth Constitution.

ARTICLE LXXII

PROVISIONS REGARDING ASSURED INSURED BONDS, NATIONAL INSURED BONDS AND SYNCORA INSURED BONDS

72.1 **Treatment of Assured Insured Bond Claims:** In the event that Classes 2, 16, 22, 29, 34, and 39 vote to accept the Plan in accordance with the provisions of section 1126 of the Bankruptcy Code, notwithstanding any other provision of the Plan, holders of Assured Insured Bond Claims shall receive the following treatments, which treatments shall be selected by Assured in its sole and absolute discretion at or prior to the commencement of the Disclosure Statement Hearing:

(a) **Assured Election:** At Assured's election, Assured shall receive the Cash and CVIs allocable to holders of Assured Insured Bonds, and all or any portion of the Assured Insured Bonds selected by Assured shall be paid, in full, on the Effective Date, at an Acceleration Price equal to the outstanding principal amount of such Assured Insured Bonds, plus the accrued and unpaid interest thereon (or, in the case of any capital appreciation bonds, the compounded amount thereof) as of the Effective Date from (a) the proceeds of all or any portion of the Assured New GO Bonds allocable to holders of Assured Insured Bonds, which Assured New GO Bonds shall be (i) insured, at Assured's election, in accordance with a new insurance policy issued by Assured on terms acceptable to Assured, (ii) underwritten in an "offering" within the meaning of SEC Rule 15c2-12, and (iii) sold into the market such that they are issued and delivered to such underwriter(s) on the Effective Date, and (b) to the extent such proceeds of the Assured New GO Bonds are not sufficient to pay the Acceleration Price, amounts equal to such deficiency paid by Assured in accordance with the Assured Insurance Policies insuring the

relevant Assured Insured Bonds. The principal amounts, maturities and interest rates on the Assured New GO Bonds in respect of which Assured has exercised the Assured Election shall be determined by Assured in consultation with applicable underwriter(s), such that the interest rates on the Assured New GO Bonds shall be the lowest interest rates necessary for such Assured New GO Bonds to be issued with increased par amounts relative to other New GO Bonds and otherwise result in the Assured New GO Bonds being issued at the lowest aggregate yield; provided, however, that the annual debt service on the Assured New GO Bonds due in any FY shall not be greater than the annual debt service that would have been due in such FY if such Assured New GO Bonds had the same terms as the other New GO Bonds. If either (i) at or prior to the time of pricing of Assured New GO Bonds, Assured determines, based on its good faith evaluation of the circumstances, that Assured New GO Bonds cannot be sold into the market on terms acceptable to Assured, or (ii) such Assured New GO Bonds are not issued to the underwriter(s) for any reason, then, in either case, Assured (A) may elect, in its sole discretion, to exercise the Assured Acceleration Price Payment Option by paying the applicable Acceleration Price to the holders of any Assured Insured Bonds with respect to which Assured has exercised the Assured Election, and (B) shall receive, on the Effective Date the Assured New GO Bonds in respect of which the Assured Acceleration Price Payment Option is exercised and any Cash and other Assured New Securities allocable to the relevant Assured Insured Bonds, which Assured New GO Bonds may, at Assured's election, be insured in accordance with a new insurance policy issued by Assured on terms acceptable to it. Payment of the applicable Acceleration Price with respect to any Assured Insured Bond, including in accordance with the Assured Election or the Assured Acceleration Price Option, shall satisfy and discharge all of Assured's obligations under the Assured Insurance Policies with respect to such Assured Insured Bond.

(b) **Assured Insured Bondholder Elections:** In the event that Assured declines to make the Assured Election with respect to any Assured Insured Bonds as set forth in Section 72.1(a) hereof (or makes the Assured Election but declines to exercise the Assured Acceleration Price Payment Option upon the occurrence of any event that gives Assured the right to exercise such option as described above), each beneficial holder of an Assured Insured Bond with respect to which Assured has not made the Assured Election may elect one of the following Assured Bondholder Elections, in each case on terms acceptable to Assured: (i) Assured Bondholder Election 1, pursuant to which such holder shall receive from Assured the applicable Acceleration Price on the Effective Date in full satisfaction and discharge of Assured's obligations with respect to such holder under the applicable Assured Insurance Policies, and Assured shall receive the cash and Assured New Securities allocable to such holder under the Plan, which Assured New Securities, in the case of Assured New GO Bonds, may, at Assured's election, be insured in accordance with a new insurance policy issued by Assured on terms acceptable to it; (ii) Assured Bondholder Election 2, pursuant to which such holder shall opt into a custodial trust, escrow arrangement, or similar structure established by Assured that would provide such holder with an interest in (A) the applicable Assured Insurance Policy and (B) the Assured New Securities allocable to such holder in accordance with terms acceptable to Assured; or (iii) Assured Bondholder Election 3, pursuant to which such holder shall, on the Effective Date, and in full satisfaction of Assured's obligations under the applicable Assured Insurance Policies, receive (i) the Cash and Assured New Securities allocable to such holder under the Plan, which, in the case of the Assured New GO Bonds, may, at Assured's election, be insured in

accordance with a new insurance policy issued by Assured on terms acceptable to Assured, and (ii) a Cash payment from Assured in an amount to be determined or defined by Assured prior to the commencement of the Disclosure Statement Hearing. The Assured Bondholder Elections offered to Assured Insured Bondholders shall include at least either Assured Bondholder Election 1 or Assured Bondholder Election 2. The interests granted in a custodial trust, escrow arrangement, or similar structure established in connection with Assured Bondholder Election 2 must be DTC eligible. In the event an Assured Insured Bondholder fails to make an election, such Assured Insured Bondholder shall be deemed to have elected Assured Bondholder Election 2.

(c) **Acceleration of GO Bonds and PBA Bonds:** Notwithstanding any other provision of the Plan, to the extent permitted pursuant to applicable definitive documents and not inconsistent with the respective rights provided in accordance with the applicable Assured Insurance Policy, the payment of the principal of the Assured Insured Bonds shall be deemed accelerated as of the Effective Date, and such Assured Insured Bonds shall be deemed payable as of the Effective Date at the Assured Acceleration Price of one hundred percent (100%) of the principal amount thereof plus accrued interest thereon (or, in the case of any capital appreciation bonds, the compounded amount thereof) to the date of payment.

(d) **Assignment of Redemption Rights:** Notwithstanding any other provision of the Plan, on the Effective Date, the Commonwealth and PBA shall be deemed to have assigned to Assured any rights to redeem and call the Assured Insured Bonds and any related rights such that such rights may be exercised directly and exclusively by Assured as if it were the Commonwealth and PBA for such purpose, and any amounts due in connection with such redemption shall be equal to the lesser of the applicable redemption price and the Assured Acceleration Price.

(e) **Entitlement to Vote:** Subject to the terms and provisions of the Disclosure Statement Order, the solicitation of acceptances and rejections to the Plan by holders of Assured Insured Bond Claims shall be made by the Oversight Board to Assured in accordance with the provisions of Section 301(c)(3) of PROMESA.

72.2 **Treatment of National Insured Bond Claims:** In the event that Classes 3, 17, and 23 vote to accept the Plan in accordance with section 1126 of the Bankruptcy Code, on the Effective Date, notwithstanding any other provision of the Plan, holders of National Insured Bond Claims shall receive the following treatments, which treatments shall be selected by National, in its sole and absolute discretion, at or prior to the commencement of the Disclosure Statement Hearing:

(a) **National Commutation Treatment:** Each holder of an Allowed National Insured Bond Claim shall have the option to elect on the Ballot/Election Form to receive, on the Effective Date, the National Commutation Consideration, distributable by or at the direction of National, and, if elected, (i) the beneficial holder thereof shall have no other or further rights under or with respect to the applicable National Insurance Policy or any National Trust or National Escrow Account, and (ii) National shall receive the National Plan Consideration that otherwise would be allocable or distributable to such holder of an Allowed National Insured Bond Claim. If a holder of an Allowed National Insured Bond Claim (1) fails to timely and

validly elect the National Non-Commutation Treatment or (2) submits an election for less than all of its National Insured Bond Claims (in which case, such election shall be void and of no force of effect), such holder shall be deemed to have elected to receive the National Commutation Treatment set forth in this subsection (a), to commute the National Insurance Policies, to release and discharge National's obligations under the National Insurance Policies, and to receive distributions in accordance with this subsection (a). A holder of an Allowed National Insured Bond Claim that does not validly elect to receive the National Non-Commutation Treatment shall be deemed to have had, on or after the Effective Date, the National Insured Bonds, including the obligations of National under the related National Insurance Policies, underlying such holder's Allowed National Insured Bond Claim cancelled.

(b) **National Non-Commutation Treatment:** In the event that a holder of an Allowed National Insured Bond Claim timely and validly elects not to receive the National Commutation Treatment in accordance with the provisions Section 72.2(a) hereof, such holder of an Allowed National Insured Bond Claim shall receive one or more of the following treatments, at National's election, which election shall be exercised by National at or prior to the commencement of the Disclosure Statement Hearing.

(i) **Custodial Trusts:** Such holder of an Allowed National Insured Bond Claim shall (A) deposit, or be deemed to have deposited, among other things, such holder's Pro Rata Share of the National Plan Consideration and the National Insured Bonds allocable to such electing holder into the applicable National Trust, (B) be deemed to have received its Pro Rata Share of the National Plan Consideration and National Certificates in consideration therefor and (C) have no recourse to National or the National Insurance Policies other than as provided for under the terms of the National Trust.

(ii) **Escrow:** Such holder of an Allowed National Insured Bond Claim shall deposit, or be deemed to have deposited, among other things, such holder's Pro Rata Share of the National Plan Consideration in the National Escrow Account and such deposited National Plan Consideration shall be held as security for National's obligations to the holders of the National Insured Bonds whose National Plan Consideration was deposited in the National Escrow Account under the National Insurance Policies.

(iii) **Payment of Accelerated Amounts:** National shall receive the National Plan Consideration that would be otherwise allocable to such holder of an Allowed National Insured Bond Claim and National shall fully and completely discharge its obligation to such holder of an Allowed National Insured Bond Claim by paying on the Effective Date, in Cash, the amount thereof at the National Acceleration Price.

(iv) **Alternative Treatment:** The Oversight Board and National reserve the right to formulate an alternative election or implementation option with respect to the National Insured Bonds that is mutually acceptable to the Oversight Board and National, each in their respective sole discretion; provided, however, that any such alternative election or implementation option must be proposed, in writing, prior to the commencement of the Disclosure Statement Hearing.

Notwithstanding the foregoing, and for the avoidance of doubt, National may make different elections, selecting among options (i) through (iv) above, with respect to different CUSIPs and different holders of National Insured Bonds.

(c) **Acceleration of National Insured Bonds:** Notwithstanding any other provision of the Plan, the payment of the principal of the National Insured Bonds shall be deemed accelerated as of the Effective Date, and the National Insured Bonds shall be deemed payable from and after the Effective Date at an acceleration price equal to the principal amount thereof as of the Effective Date plus accrued interest to the date of payment.

(d) **Assignment of Redemption Rights:** Notwithstanding any other provision of the Plan, to the extent permitted pursuant to applicable definitive documents and not inconsistent with the rights provided in accordance with the applicable National Insurance Policy, on the Effective Date, the Commonwealth and PBA shall be deemed to have assigned to National any and all rights to redeem and call the National Insured Bonds and any related rights such that such rights may be exercised directly and exclusively by National as if it were the Commonwealth or PBA, as applicable, for such purpose. Any amounts due in connection with any such redemption shall be equal to the lesser of the applicable redemption price and the National Acceleration Price.

(e) **Entitlement to Vote:** Subject to the terms and provisions of the Disclosure Statement Order, (a) the solicitation of acceptances and rejections to the Plan by holders of National Insured Bond Claims shall be made by the Oversight Board to National in accordance with the provisions of Section 301(c)(3) of PROMESA, and (b) the election to choose between the National Commutation Treatment and the National Non-Commutation Treatment as set forth in Section 72.2(a) hereof shall be made by the beneficial holders of National Insured Bonds; provided, however, that the form of the National Non-Commutation Treatment shall be selected by National in accordance with Section 72.2(b) hereof.

(f) **Deemed Election:** Each holder of an Allowed Vintage PBA Bond Claim (National) and an Allowed Vintage CW Guarantee Bond Claim (National) shall have the option to elect on the Ballot/Election Form between options (a) or (b) in Section 72.2 as described above; provided, however, that holders making an election pursuant to Section 72.2 with respect to Allowed Vintage PBA Bond Claim (National) shall be deemed to have made the same election with respect to corresponding Allowed Vintage CW Guarantee Bond Claim (National) pursuant to Section 72.2 hereof.

72.3 Treatment of Syncora Insured Bond Claims: In the event that Classes 5, 19, and 25 vote to accept the Plan in accordance with Section 1126 of the Bankruptcy Code, on the Effective Date, notwithstanding any other provision of the Plan, Syncora Insured Bond Claims shall receive the following treatments, which treatments shall be selected by Syncora, in its sole and absolute discretion, at or prior to the commencement of the Disclosure Statement Hearing:

(a) **Syncora Commutation Treatment:** Each holder of an Allowed Syncora Insured Bond Claim shall have the option to elect on the Ballot/Election Form to receive, on the Effective Date, the Syncora Commutation Consideration, distributable by or at the direction of Syncora, and, if elected, (i) the beneficial holder thereof shall have no other or further rights

under or with respect to the applicable Syncora Insurance Policy or any Syncora Trust or Syncora Escrow Account and (ii) Syncora shall receive the Syncora Plan Consideration that otherwise would be allocable or distributable to such holder of an Allowed Syncora Insured Bond Claim. If a holder of an Allowed Syncora Insured Bond Claim (1) fails to timely and validly elect the Syncora Non-Commutation Treatment or (2) submits an election for less than all of its Syncora Insured Bond Claims (in which case, such election shall be void and of no force of effect), such holder shall be deemed to have elected to receive the Syncora Commutation Treatment set forth in this subsection (a), to commute the Syncora Insurance Policies, to release and discharge Syncora's obligations under the Syncora Insurance Policies, and to receive distributions in accordance with this subsection (a). A holder of an Allowed Syncora Insured Bond Claim that does not validly elect to receive the Syncora Non-Commutation Treatment shall be deemed to have had, on or after the Effective Date, the Syncora Insured Bonds, including the obligations of Syncora under the related Syncora Insurance Policies, underlying such holder's Allowed Syncora Insured Bond Claim cancelled.

(b) **Syncora Non-Commutation Treatment:** In the event that a holder of an Allowed Syncora Insured Bond Claim timely and validly elects not to receive the Syncora Commutation Treatment in accordance with the provisions Section 72.3(a) hereof, such holder of an Allowed Syncora Insured Bond Claim shall receive one or more of the following treatments, at Syncora's election, which election shall be exercised by Syncora at or prior to the commencement of the Disclosure Statement Hearing.

(i) **Custodial Trusts:** Such holder of an Allowed Syncora Insured Bond Claim shall (A) deposit, or be deemed to have deposited, among other things, such holder's Pro Rata Share of the Syncora Plan Consideration and the Syncora Insured Bonds allocable to such electing holder into the applicable Syncora Trust, (B) be deemed to have received its Pro Rata Share of the Syncora Plan Consideration and Syncora Certificates in consideration therefor, and (C) have no recourse to Syncora or the Syncora Insurance Policies other than as provided for under the terms of the Syncora Trust.

(ii) **Escrow:** Such holder of an Allowed Syncora Insured Bond Claim shall deposit, or be deemed to have deposited, among other things, such holder's Pro Rata Share of the Syncora Plan Consideration in the Syncora Escrow Account and such deposited Syncora Plan Consideration shall be held as security for Syncora's obligations to the holders of the Syncora Insured Bonds whose Syncora Plan Consideration was deposited in the Syncora Escrow Account under the Syncora Insurance Policies.

(iii) **Payment of Accelerated Amounts:** Syncora shall receive the Syncora Plan Consideration that would be otherwise allocable to such holder of an Allowed Syncora Insured Bond Claim and Syncora shall fully and completely discharge its obligation to such holder of an Allowed Syncora Insured Bond Claim by paying on the Effective Date, in Cash, the amount thereof at the Syncora Acceleration Price.

(iv) **Alternative Treatment:** The Oversight Board and Syncora reserve the right to formulate an alternative election or implementation option with respect to the Syncora Insured Bonds that is mutually acceptable to the Oversight Board and Syncora, each in their respective sole discretion; provided, however, that any such alternative election or

implementation option must be proposed, in writing, prior to the commencement of the Disclosure Statement Hearing.

Notwithstanding the foregoing, and for the avoidance of doubt, Syncora may make different elections, selecting among options (i) through (iv) above, with respect to different CUSIPs and different holders of Syncora Insured Bonds.

(c) **Acceleration of Syncora Insured Bonds:** Notwithstanding any other provision of the Plan, to the extent pursuant to applicable definitive documents and not inconsistent with the respective rights provided in accordance with the applicable Syncora Insurance Policy, the payment of the principal of the Syncora Insured Bonds shall be deemed accelerated as of the Effective Date, and the Syncora Insured Bonds shall be deemed payable from and after the Effective Date at an acceleration price equal to the principal amount thereof as of the Effective Date plus accrued interest to the date of payment.

73.1 **Rejection or Assumption of Remaining Executory Contracts and Unexpired Leases:** Pursuant to sections 365(b)(2) of the Bankruptcy Code, applicable to the Title III Case pursuant to Section 301 of PROMESA, and subject to the provisions of Sections 73.5 and 73.7

hereof, all Executory Contracts and Unexpired Leases that exist between the Debtors and any Entity, and which have not expired by their own terms on or prior to the Confirmation Date, shall be deemed rejected by the Debtors as of the Effective Date, except for any Executory Contract and Unexpired Lease (a) of PBA and relating to the lease or sublease of PBA Property, (b) that has been assumed and assigned or rejected pursuant to an order of the Title III Court entered prior to the Effective Date, (c) that is specifically designated as a contract or lease to be assumed or assumed and assigned on the schedules to the Plan Supplement or (d) that has been registered with the Office of the Comptroller of Puerto Rico or has been approved by the Oversight Board or authorized by the Title III Court, unless specifically designated a contract to be rejected in the Plan Supplement; provided, however, that the Debtors reserve the right, on or prior to the Confirmation Date, to amend such schedules to delete any Executory Contract and Unexpired Lease therefrom or add any Executory Contract and Unexpired Lease thereto, in which event such Executory Contract(s) and Unexpired Lease(s) shall be deemed to be, as the case may be, either rejected, assumed, or assumed and assigned as of the Effective Date. The Debtors shall serve (y) notice of any Executory Contract and Unexpired Lease to be assumed or assumed and assigned through the operation of this Section 73.1, by including a schedule of such contracts and leases in the Plan Supplement and (z) notice of any Executory Contract and Unexpired Lease to be rejected through the operation of this Section 73.1, by serving a separate notice to the relevant counterparties to such agreements. To the extent there are any amendments to such schedules, the Debtors shall provide notice of any such amendments to the parties to the Executory Contract and Unexpired Lease affected thereby. The listing of a document on the schedules to the Plan Supplement or in any separate notice shall not constitute an admission by the Debtors that such document is an Executory Contract and Unexpired Lease or that the Debtors have any liability thereunder.

73.2 Approval of Rejection or Assumption of Executory Contracts and Unexpired Leases: Entry of the Confirmation Order by the Title III Court shall constitute approval, pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, of the rejection, assumption, or assumption and assignment, as the case may be, of an Executory Contract and an Unexpired Lease pursuant to Section 73.1 of the Plan.

73.3 Inclusiveness: Unless otherwise specified on the schedules to the Plan Supplement, each Executory Contract and Unexpired Lease listed or to be listed therein shall include any and all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such Executory Contract and Unexpired Lease, without regard to whether such agreement, instrument, or other document is listed on such schedule.

73.4 Cure of Defaults: Except to the extent that different treatment has been agreed to by the non-debtor party or parties to any Executory Contract and Unexpired Lease to be assumed or assumed and assigned pursuant to Section 73.1 of the Plan, the Debtors shall, pursuant to the provisions of section 1123(a)(5)(G) and 1123(b)(2) of the Bankruptcy Code and consistent with the requirements of section 365 of the Bankruptcy Code, within at least twenty (20) days prior to the Confirmation Hearing, file with the Title III Court and serve by first class mail on each non-Debtor party to such Executory Contracts and Unexpired Leases to be assumed pursuant to Section 73.1 of the Plan, a notice, which shall list the cure amount as to each executory contract or unexpired lease to be assumed or assumed and assigned. The parties to such Executory

Contracts and Unexpired Leases will have twenty (20) days from the date of service of such notice to file and serve any objection to the cure amounts listed by the Debtors. If there are any objections filed, the Title III Court shall hold a hearing on a date to be set by the Title III Court. Notwithstanding the terms and provisions of Section 73.1 of the Plan, each of the Debtors shall retain its rights to reject any of its Executory Contracts and Unexpired Leases that are subject to a dispute concerning amounts necessary to cure any defaults through the Effective Date.

73.5 **Insurance Policies:** Subject to the terms and provisions of Section 73.7 hereof, each of the Debtors' Insurance Policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under the Plan; provided, however, that, such treatment shall not, and shall not be construed to, discharge or relieve any Monoline with respect to its respective obligations to holders of Claims under policies of insurance and applicable law and governing documents with respect thereto.

73.6 **Rejection Damage Claims:** If the rejection of an Executory Contract and Unexpired Lease by the Debtors hereunder results in damages to the other party or parties to such contract or lease, any claim for such damages, if not heretofore evidenced by a filed proof of Claim, shall be forever barred and shall not be enforceable against the Debtors, or its properties or agents, successors, or assigns, including, without limitation, Reorganized Debtors, unless a proof of Claim is filed with the Title III Court and served upon attorneys for the Oversight Board and Reorganized Debtors, as the case may be, on or before thirty (30) days after the later to occur of (i) the Confirmation Date, and (ii) the date of entry of an order by the Title III Court authorizing rejection of a particular Executory Contract and Unexpired Lease.

73.7 **Indemnification and Reimbursement Obligations:** For purposes of the Plan, (i) to the extent executory in nature, the obligations of the Debtors, including, without limitation, directors and officers insurance policies, to indemnify and reimburse its directors or officers that were directors or officers, respectively, on or prior to the Commonwealth Petition Date, the ERS Petition Date or the PBA Petition Date, as the case may be, shall be deemed assumed as of the Effective Date and (ii) indemnification obligations of the Debtors arising from conduct of officers and directors during the period from and after Commonwealth Petition Date, the ERS Petition Date or the PBA Petition Date, as the case may be, shall be Administrative Expense Claims; provided, however, that, under no circumstances shall the Debtors or the Reorganized Debtors, as the case may be, be responsible for any indemnification obligation, cost, or expense associated with the gross negligence, intentional fraud or willful misconduct of their respective officers or directors.

73.8 **Nonoccurrence of Effective Date:** In the event that the Effective Date does not occur, the Title III Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Executory Contracts and Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code, unless such deadline(s) have expired.

73.9 **Reservation of Rights:** Nothing contained in the Plan or the Plan Supplement shall constitute an admission by the Debtors, Reorganized Debtors or any other party that any such contract or lease is in fact an Executory Contract and Unexpired Lease or that the Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtors or Reorganized Debtors shall have

forty-five (45) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

73.10 **Collective Bargaining Agreements:** Except as provided in Articles LVI and LVII hereof, none of the Debtors' collective bargaining agreements shall be treated as Executory Contracts and none shall be assumed or rejected or otherwise treated pursuant to the Plan, but shall remain in effect subject, in all instances, to Puerto Rico law and Articles LVI and LVII regarding the payment and ongoing treatment of pension and related claims and obligations.

Except (a) as provided in any contract, instrument or other agreement or document entered into or delivered in connection with the Plan, (b) for purposes of evidencing a right to distribution under the Plan, or (c) as specifically provided otherwise in the Plan (including any rejection of Executory Contracts or Unexpired Leases pursuant to Section 73.1 hereof), on the Effective Date, the PBA Bonds, ERS Bonds and GO Bonds and all instruments and documents related thereto will be deemed automatically cancelled, terminated and of no further force or effect against the Debtors without any further act or action under any applicable agreement, law, regulation, order or rule, with the Debtors and the applicable trustee, paying agent or fiscal agent, as the case may be, having no continuing obligations or duties and responsibilities thereunder and the obligations of the parties to the Debtors, as applicable, under the PBA Bonds, ERS Bonds and GO Bonds and all instruments and documents related thereto shall be discharged; provided, however, that, notwithstanding anything contained herein to the contrary, the PBA Bonds, ERS Bonds and GO Bonds and such other instruments and documents shall continue in effect solely (i) to allow the Disbursing Agent to make any distributions as set forth in the Plan and to perform such other necessary administrative or other functions with respect thereto, (ii) to allow holders of Allowed Bond Claims to receive distributions in accordance with the terms and provisions of the Plan, (iii) for any trustee, agent, contract administrator or similar entity under all instruments and documents related thereto, to perform necessary functions, including making distributions, in accordance with the Plan and to have the benefit of all the rights and protections and other provisions of such instruments and documents, as applicable, and all other related agreements, (iv) to set forth the terms and conditions applicable to parties to such documents and instruments other than the Debtors, or (v) as may be necessary to preserve any claims under the respective insurance policies and related documents issued by a Monoline and the Oversight Board shall request that the Commonwealth and PBA use their reasonable efforts to (1) maintain the existing CUSIP numbers for the Monoline-insured GO Bonds and PBA Bonds, respectively, and (2) take such other reasonable steps as may be necessary to preserve and effectuate such Claims. 74.7 Undeliverable/Reserved Distributions:

(a) **Holding of Undeliverable Distributions by the Disbursing Agent:** If any distribution to any holder is returned to the Disbursing Agent as undeliverable, no further distribution shall be made to such holder unless and until the Disbursing Agent is notified, in writing, of such holder's then-current address. Subject to the terms and provision of Section 75.7(b) hereof, undeliverable distributions shall remain in the possession of the Disbursing Agent until such time as a distribution becomes deliverable. All Entities ultimately receiving previously undeliverable Cash shall not be entitled to any interest or other accruals thereon of any kind. Nothing contained in the Plan shall require the Disbursing Agent to attempt to locate any holder of an Allowed Claim.

(b) **Failure to Claim Undeliverable Distributions:** If (i) a check is sent, by the Disbursing Agent to a holder in respect of distributions and such check is not negotiated within one hundred twenty (120) days following the date on which such check was issued, or (ii) any other form of distribution to a holder is otherwise undeliverable, the Disbursing Agent (or its duly authorized agent) shall, on or prior to the date that is one hundred eighty (180) days from (i) the Effective Date, with respect to all Allowed Claims as of the Effective Date, and (ii) the date that a distribution is made with respect to any Disputed Claim that becomes an Allowed Claim subsequent to the Effective Date, file a list with the Title III Court setting forth the names of those Entities for which distributions have been made hereunder that have not been negotiated or have been returned as undeliverable as of the date thereof. Any holder of an Allowed Claim on such list that does not identify itself and assert its rights pursuant to the Plan to receive a distribution within six (6) months from the date so listed shall have its entitlement to such undeliverable distribution discharged and shall be forever barred from asserting any entitlement pursuant to the Plan, against Reorganized Debtors, the trustees, or their respective professionals, agents, or property, and any (1) Cash in the possession of the Disbursing Agent or the trustee with respect to existing securities, as the case may be, shall be released to Reorganized Debtors for use to discharge operating expenses of Reorganized Debtors and (2) the New GO Bonds and the CVIs in the possession of the Disbursing Agent or trustee with respect to existing securities shall be released to Reorganized Debtors for cancellation or deposit into the treasury of Reorganized Debtors, as determined by Reorganized Debtors in its sole and absolute discretion.

74.8 **Withholding and Reporting Requirements:** Any party issuing any instrument or making any distribution under the Plan shall comply with all applicable withholding and reporting requirements imposed by any United States federal, state or local tax law or tax authority, and all distributions under the Plan shall be subject to any such withholding or reporting requirements. Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any taxes imposed on such holder by any governmental unit, including income, withholding and other tax obligations, on account of such distribution. Any party issuing any instrument or making any distribution under the Plan has the right, but not the obligation, to not make a distribution until such holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such withholding tax obligations and, if any party issuing any instrument or making any distribution under the Plan fails to withhold with respect to any such holder's distribution, and is later held liable for the amount of such withholding, the holder shall reimburse such party. The Disbursing Agent may require, as a condition to the receipt of a distribution, that the holder complete the appropriate Form W-8 or Form W-9, as applicable to each holder. If the holder fails to comply with such a request within one year, such distribution shall be deemed an Unclaimed Distribution.

74.9 **Time Bar to Cash Payments:** Checks issued by the Disbursing Agent on account of Allowed Claims shall be null and void if not negotiated within one hundred twenty (120) days from and after the date of issuance thereof. Requests for reissuance of any check shall be made directly to the Disbursing Agent by the holder of the Allowed Claim with respect to which such check originally was issued. Any claim in respect of such a voided check shall be made on or before the later of (i) the first (1st) anniversary of the Effective Date or (ii) ninety

(90) days after the date of issuance of such check, if such check represents a final distribution hereunder on account of such Claim. After such date, all Claims in respect of voided checks shall be discharged and forever barred and the Disbursing Agent shall retain all monies related thereto for the sole purpose of redistribution to holders of Allowed Claims in accordance with the terms and provisions hereof.

74.10 **Distributions After Effective Date:** Distributions made after the Effective Date to holders of Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims, shall be deemed to have been made in accordance with the terms and provisions of Article LXXIX of the Plan.

74.11 **Setoffs:** Except as otherwise provided in the Plan or in the Confirmation Order, the Disbursing Agent may, pursuant to applicable bankruptcy or non-bankruptcy law, set off against any Allowed Claim and the distributions to be made pursuant to the Plan on account thereof (before any distribution is made on account of such Claim by the Disbursing Agent), the claims, rights, and Causes of Action of any nature that the Debtors or Reorganized Debtors may hold against the holder of such Allowed Claim; provided, however, that neither the failure to effect such a setoff nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors or Reorganized Debtors of any such claims, rights, and Causes of Action that the Debtors or the Reorganized Debtors may possess against such holder; and, provided, further, that nothing contained herein is intended to limit the ability of any Creditor to effectuate rights of setoff or recoupment preserved or permitted by the provisions of sections 553, 555, 559, or 560 of the Bankruptcy Code or pursuant to the common law right of recoupment; and, provided, further, that nothing in this Section 74.11 shall affect the releases and injunctions provided in Article LXXXIX of the Plan.

74.12 **Allocation of Plan Distributions Between Principal and Interest:** To the extent that any Allowed Claim entitled to a distribution under the Plan consists of indebtedness and other amounts (such as accrued but unpaid interest thereon), such distribution shall be allocated first, to interest accrued and unpaid as of the date immediately preceding the Commonwealth Petition Date, the ERS Petition Date or the PBA Petition Date, as applicable, second, to the principal amount of the Claim (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claim, to such other amounts; provided, however, that the Debtors or Reorganized Debtors' treatment of any distributions for its tax purposes will not be binding on any Creditor as to the treatment of such distributions for any regulatory, tax or other purposes.

74.13 **Payment of Trustee Fees and Expenses:** No later than five (5) days prior to the Effective Date, trustees shall provide invoice summaries and supporting documentation (subject to redaction to preserve attorney-client privilege) to the Oversight Board and AAFAF, on behalf of the Debtors, relating to all incurred and unpaid trustee claims as of such date, together with an estimate of trustee claims to be incurred from such date up to and including the Effective Date. Within fifteen (15) Business Days thereof, the Debtors shall notify the applicable trustee, in writing, of any dispute relating to the reasonableness of any portion of the trustee claims. Any portion of the trustee claims that is not disputed by the Debtors shall be paid by the Debtors on the Effective Date without further application to, or approval of, the Title III Court; provided, however, that, upon notification of a dispute, trustees (a) shall submit an application to the Title

III Court seeking a resolution of such dispute by the Title III Court or (b) waive, in writing, payment of such disputed amount; and, provided, further, that, upon the entry of an order of the Title III Court authorizing payment of any disputed amount, upon notice and a hearing, unless otherwise stayed, the Debtors shall pay such allowed portion of such trustee claims. To the extent any trustee claim is incurred from and after the Effective Date, Reorganized Debtors shall be responsible and, upon presentation of supporting documentation in form and substance satisfactory to Reorganized Debtors (subject to redaction to preserve attorney-client privilege), shall satisfy such post-Effective Date trustee claims; provided, however, that, under no circumstance shall the Disbursing Agent, the Debtors or Reorganized Debtors be responsible for any indemnification obligation, cost, or expense of trustees associated with the gross negligence, intentional fraud or willful misconduct of trustees in making any distribution pursuant to the Plan.

74.14 **Beneficial Owner**: For all purposes of the Plan, including, without limitation, for purposes of distributions pursuant to the terms and provisions of this Article LXXIV, except with respect to Claims arising from bonds insured by Syncora, the “holder” of a Claim shall mean any Entity who, directly or indirectly, has investment power with respect to any Claim, which includes the power to dispose or to direct the disposition of such Claim; provided, however, that, solely for purposes of Article LXXIV hereof and section 1126 of the Bankruptcy Code, the “holder” of any Bond Claims shall be determined in accordance with Section 301(c)(3) of PROMESA and any law or governing documents applicable to such Bond Claims.

74.15 **Value of Distributions**: For purposes of calculating the value of distributions made to holders of Allowed Claims, (a) Cash shall be valued in the amount distributed and (b) the New GO Bonds and CVIs shall be valued at the original principal amount thereof.

ARTICLE LXXV

AVOIDANCE ACTIONS TRUST

75.1 **Execution of Avoidance Actions Trust Agreement**: On or before the Effective Date, the Debtors and the Avoidance Actions Trustee shall execute the Avoidance Actions Trust Agreement, and shall take all other necessary steps to establish the Avoidance Actions Trust and the Avoidance Actions Trust Interests therein, which shall be for the benefit of the Avoidance Actions Trust Beneficiaries, whether their Claims are Allowed before, on or after the Effective Date. The Avoidance Actions Trust Agreement may provide powers, duties, and authorities in addition to those explicitly stated herein, but only to the extent that such powers, duties, and authorities do not affect the status of the Avoidance Actions Trust as a “liquidating trust” for United States federal income tax purposes.

75.2 **Purpose of the Avoidance Actions Trust**: The Avoidance Actions Trust shall be established for the sole purpose of Avoidance Actions and distributing its assets, in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Avoidance Actions Trust.

75.3 **Avoidance Actions Trust Assets:** The Avoidance Actions Trust shall consist of the Avoidance Actions Trust Assets. On the Effective Date, the Debtors shall transfer all of the Avoidance Actions Trust Assets to the Avoidance Actions Trust. The Avoidance Actions Trust Assets may be transferred subject to certain liabilities, as provided in the Plan or the Avoidance Actions Trust Agreement. Such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar Tax, pursuant to section 1146(a) of the Bankruptcy Code. Upon delivery of the Avoidance Actions Trust Assets to the Avoidance Actions Trust, the Debtors and their predecessors, successors and assigns, and each other Entity released pursuant to Section 89.2 hereof shall be discharged and released from all liability with respect to the delivery of such distributions.

75.4 **Administration of the Avoidance Actions Trust:** The Avoidance Actions Trust shall be administered by the Avoidance Actions Trustee according to the Avoidance Actions Trust Agreement and the Plan. In the event of any inconsistency between the Plan and the Avoidance Actions Trust Agreement, the Avoidance Actions Trust Agreement shall govern.

75.5 **The Avoidance Actions Trustee:** In the event the Avoidance Actions Trustee dies, becomes incapacitated, is terminated, or resigns for any reason, the Avoidance Actions Trust Board shall designate a successor; provided, however, that under no circumstance shall the Avoidance Actions Trustee be a director or officer with respect to any Affiliate of the Avoidance Actions Trust.

75.6 **Role of the Avoidance Actions Trustee:** In furtherance of and consistent with the purpose of the Avoidance Actions Trust and the Plan, and subject to the terms of the Confirmation Order, the Plan and the Avoidance Actions Trust Agreement, and the oversight of the Avoidance Actions Trust Board, the Avoidance Actions Trustee shall, among other things, have the following rights, powers and duties, (i) to hold, manage, convert to Cash, and timely distribute the Avoidance Actions Trust Assets, including prosecuting and resolving the Claims belonging to the Avoidance Actions Trust, (ii) to hold the Avoidance Actions Trust Assets for the benefit of the Avoidance Actions Trust Beneficiaries, whether their Claims are Allowed on or after the Effective Date, (iii) in the Avoidance Actions Trustee's reasonable business judgment, to investigate, prosecute, settle and/or abandon rights, Causes of Action, or litigation of the Avoidance Actions Trust, (iv) to prepare and file (or cause to be prepared and filed), from and after the Effective Date, all tax and regulatory forms, returns, reports, and other documents required, or that the Avoidance actions Trustee otherwise deems appropriate with respect to the Avoidance Actions Trust, (v) in the Avoidance Actions Trustee's reasonable business judgment, to control, prosecute, and/or settle on behalf of the Avoidance Actions Trust, objections to Claims on account of which the Avoidance Actions Trustee will be responsible, (vi) to hold, manage, and timely distribute Cash or non-Cash Avoidance Actions Trust Assets obtained through the exercise of its power and authority and (vii) to not unduly prolong the duration of the Avoidance Actions Trust. In all circumstances, the Avoidance Actions Trustee shall act in the best interests of all Avoidance Actions Trust Beneficiaries and in furtherance of the purpose of the Avoidance Actions Trust.

75.7 **Avoidance Actions Trustee's Tax Power for Debtors:** From and after the Effective Date, the Avoidance Actions Trustee shall prepare and file (or cause to be prepared and

filed), on behalf of the Debtors, all tax returns or other tax information statements required to be filed or that the Avoidance Actions Trustee otherwise deems appropriate.

75.8 **Transferability of Avoidance Actions Trust Interests:** The Avoidance Actions Trust Interests shall not be transferable or assignable except by will, intestate succession or operation of law

75.9 **Cash:** The Avoidance Actions Trustee may invest Cash (including any earnings thereon or proceeds therefrom) as permitted by section 345 of the Bankruptcy Code; provided, however, that such investments are investments permitted to be made by a liquidating trust within the meaning of Treasury Regulation section 301.7701-4(d), as reflected therein, or under applicable IRS guidelines, rulings, or other controlling authorities.

75.10 **Distribution of Avoidance Action Trust Assets:** The Avoidance Actions Trustee shall distribute to the holders of Allowed Claims on account of their Avoidance Actions Trust Interests, on a semi-annual basis, all unrestricted Cash on hand (including any Cash received from the Debtors on the Effective Date, and treating any permissible investment as Cash for purposes of this Section 75.10), except (i) Cash reserved pursuant to the Avoidance Actions Trust Agreement to fund the activities of the Avoidance Actions Trust, (ii) such amounts' as are allocable to or retained on account of Disputed Claims in accordance with Section 79.3 hereof to pay reasonable incurred or anticipated expenses (including, but not limited to, any taxes imposed on or payable by the Avoidance Actions Trust in respect of the Avoidance Actions Trust Assets); provided, however, that the Avoidance Actions Trustee shall not be required to make a distribution pursuant to this Section 75.10 if the aggregate, net amount of unrestricted Cash available for distribution (taking into account the above listed exclusions) is such that it would make the distribution impracticable as reasonably determined by the Avoidance Actions Trustee, with the consent of the Avoidance Actions Trust Board, in accordance with applicable law, and so long as such aggregate amount is less than Twenty-Five Million Dollars (\$25,000,000.00); and, provided, further, that the Avoidance Actions Trustee, with the consent of the Avoidance Actions Trust Board, may decide to forego the first quarterly distribution to those holders of Avoidance Actions Trust Interests with respect to which the Avoidance Actions Trustee, in its reasonable judgment, is not administratively prepared to make such distribution, in which case, such distribution shall be made to such holders as soon as practicable after the Avoidance Actions Trustee is administratively prepared to do so.

75.11 **Funding, Costs and Expenses of the Avoidance Actions Trust:** On the Effective Date, the Avoidance Actions Trust shall be funded on a one-time basis in an amount up to Ten Million Dollars (\$10,000,000.00). The reasonable costs and expenses of the Avoidance Actions Trust, including the fees and expenses of the Avoidance Actions Trustee and its retained professionals, shall be paid out of the Avoidance Actions Trust Assets. Fees and expenses incurred in connection with the prosecution and settlement of any Claims shall be considered costs and expenses of the Avoidance Actions Trust.

75.12 **Compensation of the Avoidance Actions Trustee:** The individual(s) serving as or comprising the Avoidance Actions Trustee shall be entitled to reasonable compensation in an amount consistent with that of similar functionaries in similar roles, the payment of which shall be subject to the approval of the Title III Court.

75.13 Retention of Professionals/Employees by the Avoidance Actions Trustee:

Subject to the approval and consent of the Avoidance Actions Trust Board, the Avoidance Actions Trust may retain and compensate attorneys, other professionals, and employees to assist the Avoidance Actions Trust Board on such terms as the Avoidance Actions Trustee deems appropriate without Title III Court approval.

75.14 Federal Income Tax Treatment of the Avoidance Actions Trust:

(a) Avoidance Actions Trust Assets Treated as Owned by Creditors. For all United States federal income tax purposes, all parties (including, without limitation, the Debtors, the Avoidance Actions Trustee, and the Avoidance Actions Trust Beneficiaries) shall treat the transfer of the Avoidance Actions Trust Assets to the Avoidance Actions Trust as (1) a transfer of the Avoidance Actions Trust Assets (subject to any obligations relating to those assets) directly to the Avoidance Actions Trust Beneficiaries and, to the extent Avoidance Actions Trust Assets are allocable to Disputed Claims, to the Avoidance Actions Trust Claims Reserve, followed by (2) the transfer by such beneficiaries to the Avoidance Actions Trust of the Avoidance Actions Trust Assets (other than the Avoidance Actions Trust Assets allocable to the Avoidance Actions Trust Claims Reserve) in exchange for Avoidance Actions Trust Interests. Accordingly, the Avoidance Actions Trust Beneficiaries shall be treated for United States federal income tax purposes as the deemed grantors and owners of their respective share of the Avoidance Actions Trust Assets (other than such Avoidance Actions Trust Assets as are allocable to the Avoidance Actions Trust Claims Reserve, discussed below). The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

(b) Tax Reporting.

(i) The Avoidance Actions Trustee shall prepare and file (or cause to be prepared and filed) tax returns for the Avoidance Actions Trust treating the Avoidance Actions Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Section 75.14. The Avoidance Actions Trustee also will annually send to each holder of an Avoidance Actions Trust Interest a separate statement regarding the receipts and expenditures of the Avoidance Actions Trust as relevant for U.S. federal income tax purposes and will instruct all such holders to use such information in preparing their U.S. federal income tax returns or to forward the appropriate information to such holder's underlying beneficial holders with instructions to utilize such information in preparing their U.S. federal income tax returns. The Avoidance Actions Trustee shall also file (or cause to be filed) any other statement, return or disclosure relating to the Avoidance Actions Trust that is required by any governmental unit.

(ii) The Avoidance Actions Trustee will then in good faith value all other Avoidance Actions Trust Assets, and shall make all such values available from time to time, to the extent relevant, and such values shall be used consistently by all parties to the Avoidance Actions Trust (including, without limitation, the Debtors, the Avoidance Actions Trustee, and Avoidance Actions Trust Beneficiaries) for all United States federal income tax purposes.

(iii) Allocations of Avoidance Actions Trust taxable income among the Avoidance Actions Trust Beneficiaries (other than taxable income allocable to the Avoidance Actions Trust Claims Reserve) shall be determined by reference to the manner in which an amount of cash representing such taxable income would be distributed (were such cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, the Avoidance Actions Trust had distributed all its assets (valued at their tax book value, and other than assets allocable to the Avoidance Actions Trust Claims Reserve) to the holders of the Avoidance Actions Trust Interests, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Avoidance Actions Trust. Similarly, taxable loss of the Avoidance Actions Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a hypothetical liquidating distribution of the remaining Avoidance Actions Trust Assets. The tax book value of the Avoidance Actions Trust Assets for purpose of this paragraph shall equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the IRC, the applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

(iv) Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Avoidance Actions Trustee of a private letter ruling if the Avoidance Actions Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Avoidance Actions Trustee), the Avoidance Actions Trustee shall (A) timely elect to treat any Avoidance Actions Trust Claims Reserve as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9, and (B) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Avoidance Actions Trustee and the Avoidance Actions Trust Beneficiaries) shall report for United States federal, state and local income tax purposes consistently with the foregoing.

(v) The Avoidance Actions Trustee shall be responsible for payment, out of the Avoidance Actions Trust Assets, of any taxes imposed on the trust or its assets, including the Avoidance Actions Trust Claims Reserve. In the event, and to the extent, any Cash retained on account of Disputed Claims in the Avoidance Actions Trust Claims Reserve is insufficient to pay the portion of any such taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, Disputed Claims (including any income that may arise upon the distribution of the assets of the Avoidance Actions Trust Claims Reserve), such taxes may be (i) reimbursed from any subsequent Cash amounts retained on account of Disputed Claims, or (ii) to the extent such Disputed Claims have subsequently been resolved, deducted from any amounts otherwise distributable by the Avoidance Actions Trustee as a result of the resolution of such Disputed Claims.

(c) Tax Withholdings by Avoidance Actions Trustee. The Avoidance Actions Trustee may withhold and pay to the appropriate tax authority all amounts required to be withheld pursuant to the IRC or any provision of any foreign, state or local tax law with respect to any payment or distribution to the holders of Avoidance Actions Trust Interests. All such amounts withheld and paid to the appropriate tax authority (or placed in escrow pending resolution of the need to withhold) shall be treated as amounts distributed to such holders of Avoidance Actions Trust Interests for all purposes of the Avoidance Actions Trust Agreement, and it being understood that any such amount withheld shall reduce the amount actually realized

by the applicable holder upon distribution. The Avoidance Actions Trustee shall be authorized to collect such tax information from the holders of Avoidance Actions Trust Interests (including, without limitation, social security numbers or other tax identification numbers) as in its sole discretion the Avoidance Actions Trustee deems necessary to effectuate the Plan, the Confirmation Order, and the Avoidance Actions Trust Agreement. In order to receive distributions under the Plan, all holders of Avoidance Actions Trust Interests shall be required to identify themselves to the Avoidance Actions Trustee and provide tax information and the specifics of their holdings, to the extent the Avoidance Actions Trustee deems appropriate in the manner and in accordance with the procedures from time to time established by the Avoidance Actions Trustee for these purposes. This identification requirement generally applies to all holders of Avoidance Actions Trust Interests, including those who hold their securities in street name. The Avoidance Actions Trustee may refuse to make a distribution to any holder of a Avoidance Actions Trust Interest that fails to furnish such information in a timely fashion, and until such information is delivered, and may treat such holder's Avoidance Actions Trust Interests as disputed; provided, however, that, if such information is not furnished to the Avoidance Actions Trustee within six (6) months of the original request to furnish such information, no further distributions shall be made to the holder of such Avoidance Actions Trust Interest; and, provided, further, that, upon the delivery of such information by a holder of a Avoidance Actions Trust Interest, the Avoidance Actions Trustee shall make such distribution to which the holder of the Avoidance Actions Trust Interest is entitled, without additional interest occasioned by such holder's delay in providing tax information; and, provided, further, that, if the Avoidance Actions Trustee fails to withhold in respect of amounts received or distributable with respect to any such holder and the Avoidance Actions Trustee is later held liable for the amount of such withholding, such holder shall reimburse the Avoidance Actions Trustee for such liability (to the extent such amounts were actually distributed to such holder).

(d) The Avoidance Actions Trustee and the Avoidance Actions Trust shall be discharged or dissolved, as the case may be, upon the earlier to occur of (i) all of the Avoidance Actions Trust Assets have been distributed pursuant to the Plan and the Avoidance Actions Trust Agreement, (ii) the Avoidance Actions Trustee determines, with the consent of the Avoidance Actions Trust Board, that the administration of any remaining Avoidance Actions Trust Assets is not likely to yield sufficient additional Avoidance Actions Trust proceeds to justify further pursuit, and (iii) all distributions required to be made by the Avoidance Actions Trustee under the Plan and the Avoidance Actions Trust Agreement have been made; provided, however, in no event shall the Avoidance Actions Trust be dissolved later than three (3) years from the Effective Date unless the Bankruptcy Court, upon motion within the six-month period prior to the third (3rd) anniversary (or within the six-month period prior to the end of an extension period), determines that a fixed period extension (not to exceed three (3) years, together with any prior extensions, without a favorable private letter ruling from the IRS or an opinion of counsel satisfactory to the Avoidance Actions Trustee and the Avoidance Actions Trust Board that any further extension would not adversely affect the status of the trust as an Avoidance Actions Trust for United States federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Avoidance Actions Trust Assets. If at any time the Avoidance Actions Trustee determines, in reliance upon such professionals as the Avoidance Actions Trustee may retain, that the expense of administering the Avoidance Actions Trust so as to make a final distribution to its beneficiaries is likely to exceed the value of the assets remaining in the

Avoidance Actions Trust, the Avoidance Actions Trustee may apply to the Bankruptcy Court for authority to (i) reserve any amount necessary to dissolve the Avoidance Actions Trust, (ii) donate any balance to a charitable organization (A) described in section 501(c)(3) of the IRC, (B) exempt from United States federal income tax under section 501(a) of the IRC, and (D) that is unrelated to the Debtors, the Reorganized Debtors, the Avoidance Actions Trust, and any insider of the Avoidance Actions Trustee, and (iii) dissolve the Avoidance Actions Trust.

75.15 Indemnification of Avoidance Actions Trustee: The Avoidance Actions Trustee or the individual(s) comprising the Avoidance Actions Trustee, as the case may be, and the Avoidance Actions Trustee's employees, agents and professionals, shall not be liable to the Avoidance Actions Trust Beneficiaries for actions taken or omitted in their capacity as, or on behalf of, the Avoidance Actions Trustee, except those acts arising out of their own willful misconduct or gross negligence, and each shall be entitled to indemnification and reimbursement for fees and expenses in defending any and all actions or inactions in their capacity as, or on behalf of, the Avoidance Actions Trustee, except for any actions or inactions involving willful misconduct or gross negligence. Any indemnification claim of the Avoidance Actions Trustee (and the other parties entitled to indemnification under this subsection) shall be satisfied solely from the Avoidance Actions Trust Assets and shall be entitled to a priority distribution therefrom, ahead of the Avoidance Actions Trust Interests and any other claim to or interest in such assets. The Avoidance Actions Trustee shall be entitled to rely, in good faith, on the advice of its retained professionals.

ARTICLE LXXVI

PROSECUTION AND EXTINGUISHMENT OF CLAIMS HELD BY THE DEBTORS

76.1 Prosecution of Claims: Except as settled and released herein, from and after the Effective Date, the Avoidance Actions Trustee shall have the exclusive right and power to (a) litigate any and all of the Avoidance Actions and (b) compromise and settle such Avoidance Actions, upon approval of the Bankruptcy Court. The net proceeds of any such litigation or settlement (after satisfaction of all costs and expenses incurred in connection therewith) shall be transferred to the Avoidance Actions Trust for distribution in accordance with the Plan and the Avoidance Actions Trust Agreement.

ARTICLE LXXVII

77.2 Acceptance by Class of Creditors: An impaired Class of holders of Claims shall have accepted the Plan if the Plan is accepted by at least two-thirds (2/3) in dollar amount and

more than one-half (1/2) in number of the Allowed Claims of such Class that have voted to accept or reject the Plan.

77.3 **Cramdown**: In the event that any impaired Class of Claims shall fail to accept, or be deemed to reject, the Plan in accordance with section 1129(a) of the Bankruptcy Code, the Debtors reserve the right to (i) request that the Bankruptcy Court confirm the Plan in accordance with section 1129(b) of the Bankruptcy Code or (ii) subject to the consent of the PSA Creditors, in accordance with the provisions of the Plan Support Agreement, amend the Plan.

ARTICLE LXXVIII

RIGHTS AND POWERS OF DISBURSING AGENT

78.1 **Exculpation**: From and after the Effective Date, the Disbursing Agent shall be exculpated by all Entities, including, without limitation, holders of Claims and other parties in interest, from any and all claims, Causes of Action, and other assertions of liability arising out of the discharge of the powers and duties conferred upon such Disbursing Agent by the Plan or any order of the Title III Court entered pursuant to or in furtherance of the Plan, or applicable law, except for actions or omissions to act arising out of the gross negligence or willful misconduct of such Disbursing Agent. No holder of a Claim or other party in interest shall have or pursue any claim or cause of action against the Disbursing Agent for making payments in accordance with the Plan or for implementing the provisions of the Plan.

78.2 **Powers of the Disbursing Agent**: Except as may be provided otherwise hereunder, the Disbursing Agent shall be empowered to (a) take all steps and execute all instruments and documents necessary to effectuate the Plan, (b) make distributions contemplated by the Plan, (c) comply with the Plan and the obligations thereunder, and (d) exercise such other powers as may be vested in the Disbursing Agent pursuant to order of the Title III Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

78.3 **Fees and Expenses Incurred From and After the Effective Date**: Except as otherwise ordered by the Title III Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent from and after the Effective Date and any reasonable compensation and expense reimbursement claims, including, without limitation, reasonable fees and expenses of counsel, incurred by the Disbursing Agent, shall be paid in Cash without further order of the Title III Court.

ARTICLE LXXIX

PROCEDURES FOR TREATMENT OF DISPUTED CLAIMS

79.1 **Objections to Claims; Prosecution of Disputed Claims**: Except with respect to Allowed Claims, and subject to the terms and conditions of the ADR Procedures and the ADR Order, Reorganized Debtors, by and through the Oversight Board, and in consultation with AAFAF, shall object to, and shall assume any pending objection filed by the Debtors to, the allowance of Claims filed with the Title III Court with respect to which it disputes liability,

priority or amount, including, without limitation, objections to Claims that have been assigned and the assertion of the doctrine of equitable subordination with respect thereto. All objections, affirmative defenses and counterclaims shall be litigated to Final Order; provided, however, that Reorganized Debtors, by and through the Oversight Board, and in consultation with AAFAF, shall have the authority to file, settle, compromise or withdraw any objections to Claims, without approval of the Title III Court. Unless otherwise ordered by the Title III Court, to the extent not already objected to by the Debtors, Reorganized Debtors shall file and serve all objections to Claims as soon as practicable, but, in each instance, not later than one hundred eighty (180) days following the Effective Date or such later date as may be approved by the Title III Court. Notwithstanding anything contained in the Plan to the contrary, on the Effective Date, any Bond Claim filed by any Entity, for amounts due under existing securities, shall be deemed disallowed and expunged and the Oversight Board shall instruct Prime Clerk LLC, its court-appointed representative, to remove such Bond Claims from the claims registry maintained for the benefit of the Title III Court.

79.2 **Estimation of Claims:** Except with respect to Allowed Claims, on and after the Effective Date, and unless otherwise limited by an order of the Title III Court, including, without limitation, the ACR Order, and the ADR Order, Reorganized Debtors, by and through the Oversight Board, may at any time request the Title III Court to estimate for final distribution purposes any contingent, unliquidated or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the Debtors previously objected to or sought to estimate such Claim, and the Title III Court will retain jurisdiction to consider any request to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. Unless otherwise provided in an order of the Title III Court, in the event that the Title III Court estimates any contingent, unliquidated or Disputed Claim, the estimated amount shall constitute either the allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Title III Court; provided, however, that, if the estimate constitutes the maximum limitation on such Claim, Reorganized Debtors, by and through the Oversight Board, may elect to pursue supplemental proceedings to object to any ultimate allowance of such Claim; and, provided, further, that the foregoing is not intended to limit the rights granted by section 502(j) of the Bankruptcy Code. All of the aforementioned Claims objection, estimation and resolution procedures are cumulative and not necessarily exclusive of one another.

79.3 **Payments and Distributions on Disputed Claims:**

(a) **Disputed Claims Holdback:** From and after the Effective Date, and until such time as each Disputed Claim has been compromised and settled, estimated by the Title III Court in an amount constituting the allowed amount, or Allowed or Disallowed by Final Order of the Title III Court, Reorganized Debtors shall retain, for the benefit of each holder of a Disputed Claim, the distributions that would have been made to such holder if it were an Allowed Claim in an amount equal to the lesser of (i) the liquidated amount set forth in the filed proof of Claim relating to such Disputed Claim, (ii) the amount in which the Disputed Claims shall be estimated by the Title III Court pursuant to section 502 of the Bankruptcy Code constitutes and represents the maximum amount in which such Claim may ultimately become an Allowed Claim, and (iii) such other amount as may be agreed upon by the holder of such Disputed Claim and Reorganized Debtors; provided, however, that the recovery by any holder of a Disputed Claim

shall not exceed the lesser of (i), (ii) and (iii) above. To the extent that any of the Reorganized Debtors retains any New GO Bonds or CVIs on behalf of Disputed Claims holders, until such New GO Bonds or CVIs are distributed, such Reorganized Debtors shall exercise voting or consent rights with respect to such bonds.

(b) **Allowance of Disputed Claims:** At such time as a Disputed Claim becomes, in whole or in part, an Allowed Claim, Reorganized Debtors shall distribute to the holder thereof the distributions, if any, to which such holder is then entitled under the Plan, together with any earnings that have accrued thereon (net of any expenses, including any taxes, relating thereto), but only to the extent that such earnings are attributable to the amount of the Allowed Claim. Such distribution, if any, shall be made as soon as practicable after the date that the order or judgement of the Title III Court allowing such Disputed Claim becomes a Final Order, but in no event more than ninety (90) days thereafter.

79.4 **Authority to Amend Lists of Creditors:** Except with respect to Bond Claims, the Debtors shall have the authority to amend the List of Creditors with respect to any Claim and to make distributions based on such amended List of Creditors without approval of the Title III Court. If any such amendment to the List of Creditors reduces the amount of a Claim or changes the nature or priority of a Claim, the Debtors will provide the holder of such Claim with notice of such amendment and such holder will have twenty (20) days to file an objection to such amendment with the Title III Court. If no such objection is filed, the Disbursing Agent may proceed with distributions based on such amended List of Creditors without approval of the Title III Court.

79.5 **Non-Accrual of Interest:** Unless otherwise specifically provided for herein or by order of the Title III Court, post-petition interest shall not accrue or be paid on Claims, Allowed or otherwise, and no holder of a Claim, Allowed or otherwise, shall be entitled to interest accruing on or after the Commonwealth Petition Date, the ERS Petition Date, or the PBA Petition Date, as the case may be, on any Claim or right. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

79.6 **Disallowance of Claims:** All Claims of any Entity from which property is sought by the Debtors under sections 550, or 553 of the Bankruptcy Code or that the Debtors alleges is a transferee of a transfer that is avoidable under sections 544, 545, 547, 548, or 549 of the Bankruptcy Code shall be disallowed if: (a) the Entity, on the one hand, and the Debtors, on the other hand, agree or the Title III Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code; and (b) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

(e) Taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan or the Confirmation Order, provided, however, that the Debtors' compliance with the formal requirements of Bankruptcy Rule 3016 shall not constitute an admission that the Plan provides for any injunction against conduct not otherwise enjoined under the Bankruptcy Code.

89.12 **Post-Effective Date Fees and Expenses:** From and after the Effective Date, Reorganized Debtors shall, in the ordinary course of business and without the necessity for any approval by the Title III Court, retain professionals and pay the reasonable professional fees and expenses incurred by Reorganized Debtors related to implementation and consummation of the Plan without further approval from the Title III Court. Without limiting the foregoing, from and after the Effective Date, Reorganized Debtors shall, in the ordinary course of business and without the necessity for any approval by the Title III Court, but in no event later than forty-five (45) days following the submission of invoices or statements with respect to the incurrence of fees and expenses to the Reorganized Debtors, pay the reasonable and documented fees and reimburse the expenses of the Oversight Board and its professionals related to the implementation and consummation of the Plan and in connection with its duties and responsibilities pursuant to PROMESA and the terms and provisions of the Plan.

89.13 **Securities Act Exemption:** Pursuant to section 1145 of the Bankruptcy Code and/or Section 3(a)(2) of the Securities Act, the offering, issuance, and distribution of the New GO Bonds and the CVIs pursuant to the terms hereof shall be exempt from registration under the Securities Act and any state or local law requiring registration for the offer, issuance or distribution of securities, including, but not limited to, the registration requirements of Section 5 of the Securities Act and any other applicable state or federal law requiring registration and/or prospectus delivery or qualification prior to the offering, issuance, distribution, or sale of securities.

89.14 **Severability:** Subject to the terms and provisions of the Plan Support Agreement and Section 3.7 hereof, if, prior to the Confirmation Date, (a) any term or provision of the Plan shall be held by the Title III Court to be invalid, void or unenforceable, the Title III Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted or (b) the Oversight Board determines to modify or amend the Plan, including, without limitation, to remove a Debtor (other than the Commonwealth and PBA) from the treatments set forth in the Plan, the Plan provisions applicable thereto shall be deemed severed and to be of no force or effect.

89.15 **Governing Law:** Except to the extent that other federal law is applicable, or to the extent that an exhibit hereto or any document to be entered into in connection herewith provides otherwise, the rights, duties, and obligations arising under this Plan shall be governed by, and construed and enforced in accordance with, PROMESA (including the provisions of the Bankruptcy Code made applicable under Section 301 of PROMESA) and, to the extent not inconsistent therewith, the laws of the Commonwealth of Puerto Rico giving effect to principles of conflicts of laws.

89.16 **Closing Case:** The Oversight Board shall, promptly upon the full administration of the Title III Cases, file with the Title III Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Title III Court. Notwithstanding the closing of the Title III Cases, the Title III Court shall retain jurisdiction of all of the matters set forth in Article LXXVIII of the Plan.

89.17 **Section Headings**: The section headings contained in this Plan are for reference purposes only and shall not affect in any way the meaning or interpretation of the Plan.

89.18 **Inconsistencies**: To the extent of any inconsistency between (a) the information contained in the Disclosure Statement and the terms and provisions of the Plan, the terms and provisions contained herein shall govern and (b) the terms and provisions of the Plan and the terms and provisions of the Confirmation Order, the terms and provisions of the Confirmation Order shall govern and be deemed a modification of the Plan; provided, however, that under no circumstances shall the Confirmation Order modify the economic terms set forth herein absent consent of the Oversight Board.

89.19 **Document Retention**: From and after the Effective Date, the Debtors may maintain documents in accordance with their standard document retention policy, as may be altered, amended, modified, or supplemented by the Debtors.

89.20 **Immediate Binding Effect**: Pursuant to section 944(a) of the Bankruptcy Code, applicable to the Title III Cases pursuant to Section 301 of PROMESA, and notwithstanding Bankruptcy Rules 3020(e), 6004(h), or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Plan and the Plan Supplement shall be immediately effective and enforceable and deemed binding on any and all holders of Claims and their respective successors and assigns, whether or not the Claim of any such holder is impaired under the Plan and whether or not such holder has accepted the Plan. The releases, exculpations, and settlements effected under the Plan shall be operative, and subject to enforcement by the Title III Court, from and after the Effective Date, including pursuant to the injunctive provisions of the Plan. Once approved, the compromises and settlements embodied in the Plan, along with the treatment of any associated Allowed Claims, shall not be subject to collateral attack or other challenge by any Entity in any court or other forum. As such, any Entity that opposes the terms of any compromise and settlement set forth in the Plan must (a) challenge such compromise and settlement prior to confirmation of the Plan and (b) demonstrate appropriate standing to object and that the subject compromise and settlement does not meet the standards governing settlements under Bankruptcy Rule 9019 and other applicable law.

89.21 **Additional Documents**: On or before the Effective Date, the Oversight Board may file with Clerk of the Title III Court such agreements and other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan. The Debtors and all holders of Claims receiving distributions pursuant to the Plan and all other parties in interest, from time to time, may prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Plan.

89.22 **Reservation of Rights**: Except as expressly set forth herein, the Plan shall have no force or effect unless the Title III Court shall enter the Confirmation Order. None of the filing of the Plan, any statement or provision contained in the Plan, or the taking of any action by the Debtors with respect to the Plan, the Disclosure Statement, or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of the Debtors with respect to the holders of Claims prior to the Effective Date. Except as expressly set forth herein, the rights and powers of the government of Puerto Rico under the Puerto Rico Constitution and PROMESA,

including, without limitation, under Sections 303 and 305 of PROMESA, are expressly reserved (subject to any limitation thereon imposed by the Puerto Rico Constitution, the U.S. Constitution or PROMESA), and nothing herein shall be deemed a waiver of any such rights and powers.

89.23 **Successors and Assigns:** Except as expressly provided otherwise in the Plan, the rights, benefits, and obligations of any Entity named or referred to in the Plan or the Confirmation Order shall be binding on, and shall inure to the benefit of any heir, executor, administrator, successor or assign, Affiliate, officer, director, agent, representative, attorney, beneficiaries, or guardian, if any, of each Entity.

89.24 **Notices:** All notices, requests to, demands or other document(s) required by the Plan or the Confirmation Order to be served on or delivered to the Oversight Board, the Debtors or AAFAF to be effective shall be in writing including by facsimile transmission and unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:

Unless otherwise ordered by the Title III Court, to the extent any document in the Plan Supplement is inconsistent with the terms of any part of the Plan that does not constitute the Plan Supplement, such part of the Plan that does not constitute the Plan Supplement shall control; provided, however, that, with respect to matters governed by the New GO Bonds Indenture, to the extent that any provisions of the Plan are inconsistent with the New GO Bonds Indenture or the CVI Indenture, the New GO Bonds Indenture or the CVI Indenture, as the case may be, shall control.
